

PEDIATRIC HEALTH QUESTIONNAIRE 6-12 YRS

I appreciate the length of this form; however, your cooperation in completing it to the best of your ability is essential to providing your child with the highest standard of care. When possible please encourage your child's input to increase the accuracy of this intake. All information you provide here will be kept absolutely confidential. This is a general pediatric form, depending on the age of your child this may not all apply; for those sections that do not apply please indicate with "NA". If you have any question please ask. PLEASE PRINT your responses clearly. Thank you.

PERSONAL INFORMATION

Patient Name: _____ Today's Date: _____
 Date of Birth: _____ (d/m/y) Age: _____ Gender: M F AB Health Care #: _____
 Home Address: _____ City: _____ Prov/ State: _____
 Postal Code: _____ Phone (home): _____ Phone (other): _____

CONSENT FORM

PLEASE NOTE THAT THIS FORM MUST BE SIGNED PRIOR TO YOUR FIRST VISIT

Naturopathic medicine is a style of medicine which approaches individual health, condition treatment and disease prevention primarily by natural means. Naturopathic physicians consider the whole person taking into account physical, biochemical, mental and emotional aspects of each person and works to find the root cause of disease and to stimulate the innate healing ability of the body.

There is a slight potential of risk involved in naturopathic medical care. These risks include but are not limited to the following:

- Allergic reaction to supplements, herbs, topical products, IV or injectable components
- Aggravation of pre existing symptoms or condition(s)
- Mild pain, bruising or minor bleeding following acupuncture, injection therapies or venipuncture
- Very minor risk of stroke, disc herniation or fracture related to naturopathic skeletal manipulation

I _____(guardian) understand that my identity and the identity of my child will be protected at all times and that a health record will be kept detailing health services provided to my child. This record will be kept confidential and will only be released under my specific direction or as required by law. I also consent to the use of information in my child's medical record for research purposes and understand that my identity and that of my child will always be protected and kept absolutely confidential.

I commit to informing my Naturopathic Doctor immediately of any disease or conditions my child suffers from and will continue to update my Naturopathic Doctor with all pertinent changes in my child's health.

I understand that the Naturopathic Doctor will answer any of my questions to the best of her ability. I understand that results are not guaranteed. I do not expect the Naturopathic Doctor to anticipate and explain all risks and potential complications involved in naturopathic care. With this knowledge, I voluntarily consent to diagnostic and treatment procedures by my Naturopathic Doctor. I understand that my consent, as indicated on this form, will cover the entire duration of my child's clinical relationship with his/her naturopathic doctor, until which time they are legally eligible to provide their own consent. I also understand that I am free to withdraw this consent in writing and that I may discontinue participation in any procedure at any time.
